

Donor Names and Privacy Policy

1. Community Shares of Mid Ohio (COSMO) provides donors an opportunity to state on their pledge card that they prefer to remain anonymous. If the donor chooses to remain anonymous, their name, and other identifying information will not be released to the member agency or agencies that they targeted their donation to.
2. If the donor does not choose to remain anonymous, COSMO will release the donor information to its member agencies.
3. The release of donor names from workplace fundraising campaigns to member agencies is for thank you and informational purposes only. Workplace campaign donors are not to be re-solicited for contributions outside of the campaigns unless they were already a donor of the member agency prior to becoming a workplace campaign donor.
4. Donor names are only for the agency to which the gift was pledged and shall never be used by other COSMO agencies.
5. Members of Community Shares of Mid Ohio should respect the privacy of donors and safeguard the confidentiality of information that a donor reasonably would expect to be private.
6. Community Shares of Mid Ohio and its members will not sell, rent, or exchange any donor lists.
7. Community Shares of Mid Ohio and its members will honor requests by a donor to curtail repeated mailings from in-house lists.
8. Any communications should be respectful of the needs and interests of the donor or potential donor.
